- bachelor of science in SOftware engineering

  institue of business adminstration

  Till present now

- higher secondary education

  Shaheen model higher seccondary school Mirpur mathelo

  Completed in 2020

- Secondary education

  Shaheen ,model higher secondary school mirpur mathelo

  Completed in 2018

About Me

Date of birth: 1st April ,2003
Nationality: Pakistani
Marital Status: single
Hobbies: Reading , writing ,photography,web development

Professional Experience

- Collaborated with a team of developers to design and implement responsive websites using HTML, Bootstrap, and JavaScript, resulting in improved user experiences.
- Utilized Java and C++ to develop efficient software solutions, enhancing the company's product offerings.
- Implemented and maintained MySQL databases, ensuring data integrity and seamless retrieval.
- Demonstrated proficiency in data structures and algorithms, optimizing code for performance and scalability.
- Assisted in debugging and troubleshooting software issues, contributing to the timely delivery of projects.
- Gained practical experience in database management, further enhancing my skills in this area.

NFTP Course - WordPress, HTML5, CSS
- Completed a comprehensive NFTP course focused on WordPress, HTML5, and CSS.
- Gained proficiency in WordPress website development, enabling the creation of dynamic and user-friendly websites.
- Acquired skills in HTML5 to structure web content effectively, ensuring compatibility and accessibility.
- Mastered CSS for designing visually appealing and responsive web layouts.
- Strengthened web development expertise, complementing my existing skill set in website development and design.

Achievements
